The Draw will be recorded and posted to the FSC Facebook Page.

Prize Information:

20% of the weekly pot is awarded to the weekly winning ticket holder.

30% of the weekly prize pot goes into the Ace of Spades prize pot.

50% of the weekly prize pot goes to the FSC.

How to Win:

FSC Board Member will draw one ticket from a bucket of tickets. This is the weekly winner.

If the name and phone number is not legible, then a new ticket will be drawn.

If the weekly winning ticket holder is not present, the board member will call the person at the number printed on the ticket.

If after 15 minutes we cannot reach the weekly winning ticket holder, we will draw a new ticket.

The weekly draw winner will have a chance to draw the Ace of Spades.

The deck of cards will be shown to reveal the Ace of Spades.

The deck will be shuffled by a FSC Board Member and laid out on a table.

The holder of the weekly winning ticket is asked to draw a card in an attempt to draw the Ace of Spades.

If the weekly winning ticket holder is not present, an FSC Board Member will call them. The board member will then draw a card from the deck on behalf of the weekly winner while on the phone with them.

If an ace of spades is not drawn, the Ace of Spades prize pot carries forward to the next week.

Once a card that is not the Ace of Spades is drawn from the deck it will be torn and removed from the deck.

If the Ace of spades card is drawn, the winning ticket holder receives the amount in the Ace of Spades prize pot.

All winners will receive their money in a form of a cheque issued by the FSC Treasurer. Cheques will be mailed to those that win, but who are not in attendance,

Winners will be announced on the FSC Facebook Page

If the Ace of Spades isn't pulled:

If the FSC Chase the Ace Progressive Lottery runs to the end and the Ace of Spades has not been pulled OR if we sell all our tickets and the Ace of Spades has not been pulled, the Final Ace of Spades Prize Pot will be drawn on March 11, 2018 at the intermission of the FSC Annual Ice Show. This Final Ace of Spades Prize Pot draw will be at the Oilfields Regional Arena. All previously sold tickets, excluding the weekly winning tickets will be entered in the Final Ace Prize Pot draw. The draw will happen as stated above with the exception that if the winning ticket holder is not in attendance, an FSC Board Member will call them a total of 3 times in a row to try to reach them. If the winning ticket holder cannot be reached at the phone number they provided, a different ticket will be pulled. If the Final Ace of Spades Prize Pot winning ticket holder doesn't pull the Ace of Spades, their ticket is discarded and a different ticket is drawn. This process will continue as above until the Final Ace of Spades Prize Pot is won. This final prize will be a maximum of \$3000.00.
