		Registration Report No report	
5.	Coaches Report	No report	
6.	Old Business		
7.	New Business	<p>Winter Season/Arena Requirements Can we run canskate for 6 weeks? If restrictions open up it will take the arena at least 1 week to have the arena operational. Is it beneficial, Kami stated it would be better then the 4 weeks we had in the fall. Discussed about asking the arena to flood rink earlier in the summer. What are other clubs/ arenas doing? Possible renting ice somewhere else? Also will the outdoor rink in BD open? ? us renting it? Lots of ideas but hard to put anything into play with not knowing what will happen next week.</p> <p>Canskate numbers 4 skaters registered for sure, probably 8 canskaters from who took credits from fall. If we are able to have a canskate program we will blitz the membership and social media to generate possible registrations.</p> <p>Diamond Valley Clothing Looking for feed back about items purchased. Everyone who ordered seems satisfied with their purchase.</p>	<p>Tasha to reach out to the town to see where they are at with their plans if and when the restrictions are lifted or partially lifted.</p> <p>Tenealle to take this back to them.</p>
8.	Next Meeting	Feb _____ 2020	TBD
