Section 2 - Board Self Governance

Policy Number: 2.1.1-1

Policy Name: Policy & Procedure Adoption

Policies of the FSC address either:

- 1) a response to legal, finance or funding mandates that ensure the organization does not abuse the privilege of exempt status; or
- 2) all other aspects of sound operations and well-informed self-governance.

The President or a board member can request consideration of a policy change to the FSC Policy and Bylaws Committee (consisting of the current Elected Board). The committee will meet to consider all proposals to add, delete or revise existing organization policies. In considering policy changes, the committee may seek input from the board, coaches, community members or other resources.

All policies require a majority vote at a board meeting to be implemented immediately.

A proposed policy change will be presented to the board in writing and included on the agenda.

The date of the board meeting, when board approval or board review appears on the agenda, will be added to each policy. Policies as changed, will be made a part of the minutes of the meeting at which the action or review was taken. The dated policy will be added to the policy manual, only current revisions will be kept in the policy manual.

Non-substantive editorial revisions, including changes in references, need not be presented to the board.

Manuals

The Elected Board will develop and maintain a current policy manual which contains the policies and procedures of the FSC. The manual is intended as both a tool for management as well as a source of information to board members, coaches and community members about how the FSC operates. To that end, the policy manual will be easily accessible.

Board or Administrative Procedures

The Elected Board may develop such administrative procedures, including forms, as are necessary to ensure consistent implementation of policies adopted. Such procedures need not be approved by the board. Procedures and forms will be included as part of the policy manual.

Section 3 - Operational

Policy Number: 3.1.2-1

Policy Name: Fees & Payment

The FSC requires all Skate Canada fees to be paid in full prior to the first scheduled day of the program. Every skater, prior to skating on their first session must have the following completed and given to a member of the current Elected Board:

1. Registration form,
2. Waiver signed, dated and witnessed,
3. A Volunteer cheque dated for July 1 of the following year

FSC prefers to have all fee's paid in full prior to skaters getting on the ice unless certain exceptions are met .Although that isn't always feasible the following delayed payment plans are available for the various programs we offer.

CanSkate and Pre-CanSkate Program

- 1) Fall Session - 50% by the start of the season date and the remainder paid by Nov 15 of that season.
- 2) Winter Session - 50% by the start of the season (Beginning of Jan) and the remainder to be paid by Feb 15 of that season
- 3) Full Session - 50% of the fee by the start of the season, and the remainder by Jan 15 of that season

Pre - STARSkate and STARSkate Program

All fee's need to be paid by Jan 15 of that skating season. The following payment arrangement is available for anyone not able to pay fees upfront or by the split credit card option.

25% of the fee by the start of the season, 25% Nov 15, 25% Dec 15 and 25% by Jan 15 of that season

Kisport and Jumpstart are an alternative to help supplement the cost of programs. If applying for these programs FSC requires the minimum of the Skate Canada Fee to be paid prior to skaters getting on the ice.

All delayed payment arrangements need to be approved by the current treasurer of the season. Post dated cheques and email transfers are accepted for the payment arrangement.

It is the responsibility of the member to ensure sufficient funds in the account to ensure the cheque clears the bank. Any cheques returned for insufficient funds or otherwise will incur an additional \$ 25.00 to be paid by the individual member. New registration will not be accepted by FSC until any and all outstanding amounts are paid in full. Any skaters transferring from an outside Club will have to provide an official letter from the previous Club stating that they are in good standing before registration will be accepted for FSC.

Coaching fees for PreCanSkate, CanSkate, CanPowerSkate, Pre - STARSkate and GroupSkate are included in registration fees paid to FSC. Any additional GroupSkate lessons and STARSkate coaching fees are recorded, invoiced and payable to the coaches themselves. Arrangements should be made directly with the coaching staff regarding lessons, fees, cancelling lessons and any additional costs that may come up throughout the season. These fees are the responsibility of each individual family. The FSC expects its members to pay coach fees within 30 days of invoice date. If these fees are not paid in a timely manner, further measures may be taken to ensure payment is made. These may include, but are not limited to, suspending ice privileges, coaching and the skater's status of "Good Standing" within the FSC. STARSkate skaters not in good standing with the FSC will not be allowed to test or compete.

Policy Manual of the Foothills Skating Club (o/a FSC, Foothills Figure Skating Club, FFSC)

Registration fees will only be pro-rated using the Fall or Winter session rates, not the full season rates for CanSkate. Pro-rated amounts are determined by taking the session rate and dividing it among the number of skating days, then multiplying this number by the remaining skating days in the session.

FSC requires (1) Volunteer Cheque at the time of registration from each member's family (only one per family, regardless of the number of skaters and their program level). The amount of the Volunteer cheque is determined by the skater within the family at the highest level. Volunteer cheques will be returned to the individual member (at their request by March 31) at the Annual General Meeting. If members do not request their cheques be returned, the FSC Board will shred and destroy any volunteer cheques belonging to members that have fulfilled their required volunteer points. Any members that have not fulfilled their required commitment by June 30 will have their volunteer cheque cashed by FSC. It is the responsibility of the member to ensure sufficient funds in the account to ensure the cheque clears the bank. Any cheques returned for insufficient funds or otherwise will incur an additional \$ 25.00 fee to be paid by the individual member. New registration will not be accepted by FSC until any and all outstanding amounts are paid in full.

Section 3 - Operational

Policy Number: 3.3.4-1

Policy Name: Rule of Two & Travel Consent

The purpose of this policy is to protect minor athletes and coaches/volunteers in potentially vulnerable situations by ensuring more than one adult is present at all times (*with the exception of emergency situations). FSC expects coaches/volunteers to self-identify situations that may put the minor athletes in a vulnerable situation and consider ways to avoid/alter the environment.

FSC strives to ensure an open and observable environment for all interactions between adults and athletes. When private or one-on-one situations are necessary, it is FSC's policy that doors remain open or that the conversation is had in a visible but removed part of the facility.

When travel is necessary, avoid situations where there is only one coach/volunteer with a single minor athlete. If this is not possible, the coach/volunteer must be appropriately screened, the athlete is comfortable with the individual and parental consent is given by signing the attached Travel Consent (copies must be provided to both the coach and the FSC Board).
